

Just Do It

Acknowledgements

We would like to acknowledge the following individuals and programs for their contributions to the development of this DVD. *Just Do It* was produced in 2000 by Joan E. Porter and Gary Christian Film and Video; and service providers across the country participated in the videotaping and interviews, while others offered us the help and hospitality that enabled the project to come together. Our sincere appreciation is extended to each of them and their families and colleagues behind the scenes:
